

LGV Driver Training

Cat C and Cat C+E Licence Acquisition

Anyone over the age of 18 and holds a full car licence can learn the skills and knowledge to become an LGV driver and acquire their Cat C or C+E licence.

Mantra is a well established quality LGV training school with its own DVSA approved driving test centre. We use industry leading training materials to support learners and develop their professional driving skills. This ensures excellent pass rates well above national average.

69% Module 3 Pass rate

(figures based on 2015-2017 average)

Nationwide LGV training is also available via The National Logistics Academy network.

Become a professional LGV driver in 7 steps

Step 1: Medical test We will arrange an LGV medical - don't worry, it's just a five-minute health check.	£60 Test fees
