

# MOT Tester

Continuing Professional Development Course

## Course Benefits:

Attending an IMI course at Mantra Learning means you will:

- Complete the required annual training
- Take the online assessment
- We provide comprehensive course materials that include structured lecture notes, practical applications giving real world examples and case studies that challenge you to apply knowledge
- Practice exam questions
- Mock tests
- Dedicated support tutor
- CPD planning form
- Training attendance certificate
- Annual assessment certificate

Courses are delivered in the early evening to avoid disruption to your business.

## Training syllabus 2018-19

For class 3, 4, 5 and 7 vehicles (cars & other 4-wheel vehicles):

- Changes to the MOT test from 20 May 2018
- How to use the MOT test quality information to check you're carrying out tests correctly
- data protection for yourself and your customers
- recording your training and assessment results
- assessing tyres and wheels
- testing alternative fuel vehicles, such as hybrid, electric and hydrogen fuel cell vehicles
- testing corrosion assessment (including assessment of brake pipes)
- testing the driver's view of the road
- testing headlamp aim

We do not offer MOT training for motorcycles.
